- 2017 – 2018 Media Rights Capital, Inc.  
**Clinical Psychology Cast/Crew: Consultant**  
 Crisis consultation as requested by HOC crew and/or cast in response to on-set or off-set issues of sexual harassment, unprofessional conduct, or consequent work hiatus issues. Intervention as needed to provide on-going support, clinical assistance, and referrals as needed. Consultation with MRC in-house counsel, executive producers and/or outside counsel to identify the nature and scope of relevant crisis factors and personnel impact.
- 1997 - Present Private Practice, San Diego, CA  
**Forensic and Clinical Psychologist**  
**Forensic Practice:** Litigation consultation and expert witness testimony in Civil, Criminal and Courts Martial cases (defense or prosecution/plaintiff). Clinical consultation and diversity training. Professional consultation for mental health treatment providers. Previously retained as board complaint consultant for attorneys and respondents, addressing BOP or BBS complaints. Continuing education training in advanced ethics and professional issues in psychology, and the business of private practice. Court ordered treatment for professionals and non-professionals engaged in sexual impropriety, domestic violence, or substance abuse infractions.
- Clinical Practice:** Individual and relational/couples therapy conceptualized and executed using an interface of psychodynamic theory and cognitive behavioral techniques. Primarily adult, adolescent and latency-aged populations. Special focus on affective/mood disorders, personality disorders, major mental illness, issues of sexual paraphilia and sexual functioning, transgender adolescent SRS related treatment, addictive disorders and familial/non-familial violence related trauma. Cultural specialization in LGBT and various ethnicity oriented clinical issues. Psychodiagnostic testing and assessment. Previously contracted treatment provider for Health and Human Services, for U.S. Border Patrol agents and their dependents.
- 1997 - 2017 Association For Advanced Training in Behavioral Sciences, Ventura, CA  
**Primary Instructor: National and CA Psychology License Exams**  
 Responsibilities include providing psychology licensure candidates' review courses in preparation for the National and (CA) State Licensing Exams. Areas of specialization include California law and professional ethics, assessment

and evaluation, human diversity considerations. National exam lecture areas include: statistics, research design, physiological psychology, psychopharmacology, developmental psychology and industrial/organizational psychology. Individualized training in inferential statistics, research methods, and test construction. Monthly seminars taught across the United States.

2007-2008

Sharper Future, Inc., San Diego, CA

**Designated Clinical Supervisor, Doctoral/Post-Doctoral Intern Program**

Sharper Future is a multi-site statewide clinic providing forensic and non-forensic mental health services, contracting with Federal and State government agencies. Parolees and Probationers who are convicted of high risk sexual offenses and require ongoing monitoring and treatment, represent the greater focus of this agency, while non-sex offenders are also provided treatment, in the context of conviction for federal and/or state offenses for which treatment has been ordered by the courts. In addition to treatment, Sharper Future provided evaluation and assessment, conducting sex offender and non-sex-offender psychological evaluations for the courts, the Department of Probation and the Department of Parole. Supervision includes individual and group modalities, with a focus on clinical assessment, diagnosis, treatment planning, and management of this high profile population.

1996 - 1998

Community Research Foundation, Professional Community Services, El Cajon, CA

**Director, Domestic Violence Treatment Program**

Responsible for the coordination of court-approved treatment program for adjudicated and voluntary perpetrators of domestic violence. Design and modify 52-week clinical curriculum based upon Duluth psychoeducational model. Provide clinical training and supervision to master's and doctoral level interns from a variety of disciplines. Program development and design of expanded clinical services. Represent program on various local committees focused on domestic violence treatment and legislative action. Grant and proposal writing.

1995 - 1998

San Diego State University, Graduate School of Social Work, San Diego, CA

**Field/Internship Supervisor**

Responsible for overall clinical supervision of MSW student interns. Assist students in the development of psychosocial assessment, diagnosis, treatment planning and implementation skill-building. Facilitate competence in relevant areas of theoretical application, while teaching current clinical considerations within specific treatment populations and cultures.

1995 - 1997

Paul Sussman, Ph.D., Private Practice, San Diego, CA

**MFCC Intern**

Private Practice. Individual, couples, and group therapy conceptualized and executed using an interface of psychodynamic theory and cognitive behavioral techniques. Primarily adult and adolescent population with special focus on affective and personality disorders, sexual paraphilia, addictive disorders and family violence trauma. Cultural specialization in African-American, Latino and Gay/Lesbian community members. Psychodiagnostic testing and assessment. Contracted treatment provider for U.S. Border Patrol.

1995 - 1997

The Alliance of Psychological Healthcare Professionals, Inc., San Diego, CA

**Associate**

Responsible for designing and presenting psychoeducational seminars and workshops specific to the needs and interests of the gay, lesbian, and bisexual community. Facilitated group therapy and alternative therapeutic services, specific to anger management, sexual abuse, sexual orientation, and affective disorders. Responsible for co-authoring consumer-oriented booklets advising new patients on informed consent issues regarding psychological services and treatment. Develop and implement marketing strategies.

1995 - 1996

Escondido Youth Encounter Crisis Counseling Services

STEPS Juvenile Sex Offender Treatment Program, San Diego, CA

**Registered Psychologist**

Supervise and provide clinical treatment for juvenile sex offenders within a day-treatment program model. Responsible for direct service and crisis intervention with twenty male juvenile sex offenders varying in age from latency to early adulthood, and their families. Individual, group, and family treatment modalities applied from a cognitive behavioral framework. Assist program director in the development of in-service trainings for staff and graduate level interns. Administer and interpret psychodiagnostic testing. Responsible for clinical supervision and

training of master's-level interns in pre/post degree field work. Participate in local committees focused on treatment of sexual offenders.

1995 - 1996

Marlene M. Maheu, Ph.D., Private Practice, San Diego, CA

**Psychological Assistant**

Private practice. Individuals, couples, and group therapy conceptualized and executed using interface of psychodynamic theory and cognitive behavioral techniques. Primary adult and adolescent population with special focus on affective and personality disorders, sexual paraphilia, addictive disorders and family violence and trauma. Cultural specialization in African-American, Latino, and Gay/Lesbian community members. Psychodiagnostic testing and assessment. Consultation to San Diego County Probation Department. Contracted treatment provider for U.S. Border Patrol.

1994 - 1995

The Center for Social Services, San Diego, CA

**Group Therapist/Supervisor**

Group treatment provided exclusively for women reporting history of childhood molest or intrafamilial incest. Responsible for supervision and training of master's level interns specifically in providing group psychotherapy. Therapeutic interventions provided from a cognitive behavioral perspective with an emphasis on interpersonal skill-building, enhancement of sense of self, and improved social adjustment where trauma is successfully integrated as a part of self rather than a guiding force which drives the self.

1993 - 1995

Darlene P. Hoyt, Ph.D., Private Practice, San Diego, CA

**Psychological Assistant**

Private practice. Individuals, couples, and group therapy conceptualized and executed using interface of psychodynamic theory and cognitive behavioral techniques. Primarily adult and adolescent population with special focus on affective and personality disorders, sexual paraphilia, addictive disorders and family violence and trauma. Cultural specialization in African-American, Latino, and Gay/Lesbian community members. Psychodiagnostic testing and assessment. Consultation to San Diego County Probation Department. Contracted treatment provider for Immigration and Naturalization Services and U.S. Border Patrol.

1992 - 1993

Metropolitan Correctional Center Psychology Dept., San Diego, CA

**Pre-Doctoral Psychology Intern**

Clinical assessment and short-term treatment with Federal pre and post trial defendants, both male and female. Consultation to U.S. District Court, Southern District of CA, providing pre-sentence evaluations and psychodiagnostic assessment to assess mental competency and criminal responsibility. Provided individual and group psychotherapy focused on adjustment and personality disorders as well as dual diagnosis of inmate population. Consultation to medical and correctional staff, providing clinical assessment and management recommendations.

1991 - 1993

Richard C. Reed, Ed.D., Private Practice, San Diego, CA

**Psychological Assistant/MFCC Intern**

Private practice. Individuals, couples, and group therapy conceptualized and executed using interface of psychodynamic theory and cognitive behavioral techniques. Primarily adult and adolescent population with focus on affective and personality disorders, sexual paraphilia, addictive disorders and family violence/trauma. Cultural specialization in African-American, Latino, and LGBT community. Diagnostic testing and assessment. Consultation to SD County Probation Dept., providing treatment for sexually aggressive incest and molest perpetrators.

1991 - 1992

Children's Protective Services (now Children's Service Bureau)

Child Sexual Abuse Treatment Program, San Diego, CA

**Pre-Doctoral Psychology Intern**

Clinical assessment and treatment with families and individuals (adults and children) who experienced or perpetrated intrafamilial sexual abuse. Consultation to social workers, and courts, providing diagnostic assessment and treatment recommendations. Individual, couples, and family therapy. Development and presentation of educational interactive lectures on topics related to family violence, as part of treatment team for Parents United (Safe Paths), offering psychoeducational and clinical services to families/individuals affected by sexual abuse/violence.

- 1989 - 1990 Basic Health Management  
Forensic Mental Health Services, Worcester, MA  
**Licensed Clinical Forensic Social Worker**  
 Clinical assessment and treatment of Worcester County Jail and House of Correction inmates. Consultation to District Superior Courts, providing diagnostic assessment and treatment recommendations for pre-trial defendants, through psychological reports and on-site court consultation. Evaluation of probationers for court ordered aid to sentencing. Individual psychotherapy and crisis intervention assessments. Training of and consultation to correctional officers, court officers, and related staff.
- 1989 - 1990 Personal Resources, Inc., Worcester, MA  
**Licensed Clinical Forensic Social Worker**  
 Fee for service private practice. Provided forensic consultation to the Massachusetts Department of Social Services, county-wide district courts, and private patients. Assessment and treatment (individual, group, family) of incest perpetrators and pedophiles. Conducted court-ordered evaluations of pre and post adjudicated offenders. Evaluative focus on recidivism risk, mental status, psychological functioning, parenting skills, and overall recommendations for treatment.
- 1987 - 1989 Goldberg Medical Associates, Salem, MA  
**Forensic Social Work Intern**  
 Brief and long-term, individual and group psychotherapy, initial intake interviews, and crisis intervention with male inmates in medium security state prison facilities. Special focus on perpetrators and victims of sexual violence. Adult male population with a variety of diagnoses. Monitoring of psychotropic medication. Provided consultation to the correctional staff.
- 1986 - 1987 Women's Resources, Inc., Fitchburg, MA  
**Coordinator: Domestic Violence Counseling Outreach Services**  
 Responsible for development and overall administration of new satellite office in Clinton, MA. Provided short-term, crisis intervention and group therapy to victims of domestic violence. Responsible for monthly status and statistical reports to agency board. Represented agency in state coalition of domestic violence program providers. Developed and presented community seminars on domestic violence. Supervised part-time and volunteer staff.
- 1984 - 1986 Boston YWCA  
Women's Protective Services, Domestic Violence Unit, Natick, MA  
**Domestic Violence Counselor/Volunteer Coordinator**  
 Crisis intervention and short-term therapy for victims of domestic violence. Development and administration of various services, including medical and legal advocacy programs and support groups. Provided individual and group treatment. Responsible for record keeping and monthly statistical reports. Represented agency in state-wide domestic violence coalition.
- 1982 - 1984 The Worcester Rape Crisis Program, Worcester, MA  
**Rape Crisis Counselor/Legal Advocate**  
 Crisis intervention and short-term therapy provided to adults and minors requesting sexual assault services. Responsible for providing legal and medical advocacy. Developed and presented community seminars on rape awareness and prevention. Responsible for screening and training of new volunteers.
